

Watt's Going On?

The future presents many questions about our need for electrical power.

- How will we meet growing demand?
- What will it cost?
- What about renewable power?
- How do we conserve?

Join us for an informational open house:

When: Monday, August 11th from 5-8 p.m.

Where: Martha Miller Center Rotunda at Hope College, 257 Columbia Avenue, at the corner of 10th Street in Holland.

This free event is open to the public, and Holland Board of Public Works employees will be available to answer questions about our energy future. Light refreshments will be served.

For more information, call the HBPW at 355-1500.
