Minimum Charge:

Readiness to Serve Charge plus Renewable Energy Minimum Charge plus Energy Optimization Charge on all active accounts**per meter.

**Active accounts are services with installed meters that are available for customer use.

Terms and Conditions of Service:

The obligations of both parties commence when the Board of Public Works begins to supply service and continues until either party has received from the other written notice to discontinue service; and thereafter for a reasonable time for making disconnections, not-to-exceed ten (10) days.

Service will not be furnished hereunder for other power apparatus in which the use of electricity is subject to violent fluctuation; the operation of which may interfere with lighting service.

The rate is subject to revision at any time during the Term of Service upon approval by the Board of Public Works and City Council.

The interruption of electric current delivery in whole or in part under this schedule shall not be the basis for claims for damage or loss.

Service will be further governed by the Board of Public Works standard rules and regulations.

Approved:

Board of Public Works, October 12, 2009
Holland City Council, October 21, 2009
