Consent to Non-Statutory Extension of City’s Response Time
I have requested a copy of records or a subscription to records or the opportunity to inspect records, pursuant to the Michigan Freedom of Information Act, Public Act 442 of 1976, MCL 15.231, et seq. I understand that the city must respond to this request within five (5) business days after receiving it, and that response may include taking a 10-business day extension. However, I hereby agree and stipulate to extend the City’s response time for this request until: ________________ (month, day, and year).

Requestor’s Signature ___________________________ Date ___________________________

Records Located on Website (Complete both sides)
If the City directly or indirectly administers or maintains an official internet presence, any public records available to the general public on that internet site at the time the request is made are exempt from any labor charges to redact (separate exempt information from non-exempt information).

If the FOIA coordinator knows or has reason to know that all or a portion of the requested information is available on its website, the City must notify the requestor in its written response that all or a portion of the requested information is available on its website. The written response, to the degree
practicable in the specific instance, must include a specific webpage address where the requested information is available. On the detailed cost
itemization form, the City must separate the requested public records that are available on its website from those that are not available on the
website and must inform the requestor of the additional charge to receive copies of the public records that are available on its website.

If the City has included the website address for a record in its written response to the requestor and the requestor thereafter stipulates that the public
record be provided to him or her in a paper format or other form, including digital media, the City must provide the public records in the specified
format (if the City has the technological capability) but may use a fringe benefit multiplier greater than the 50%, not to exceed the actual costs of
providing the information in the specified format.

**Request for Copies/Duplication of Records on City Website**
I hereby stipulate that, even if some or all of the records are located on a City website, I am requesting that the City make copies of those records on
the website and deliver them to me in the format I have requested above. I understand that some FOIA fees may apply.

1. □ Labor to copy/duplicate
2. □ Labor to locate
3a. □ Labor to redact
3b. □ Contract labor to redact

### Request for Discount: Indigence
A public record search **must** be made and a copy of a public record **must** be furnished **without charge for the first $20.00 of the fee** for each

2) If not receiving public assistance, stating facts showing inability to pay the cost because of indigence.

If a requestor is ineligible for the discount, the public body shall inform the requestor specifically of the reason for ineligibility in the public body's
written response. An individual is ineligible for this fee reduction if ANY of the following apply:
(i) The individual has previously received discounted copies of public records from the same public body twice during that calendar year,
(ii) The individual requests the information in conjunction with outside parties who are offering or providing payment or other remuneration
to the individual to make the request. A public body may require a statement by the requestor in the affidavit that the request is not being
made in conjunction with outside parties in exchange for payment or other remuneration.

Act 442 of 1976

Sec. 10.
(1) If a public body makes a final determination to deny all or a portion of a request, the requesting person may do 1 of the following at his or her option:

(a) Submit to the head of the public body a written appeal that specifically states the word "appeal" and identifies the reason or reasons for reversal of the denial.

(b) Commence a civil action in the circuit court, or if the decision of a state public body is at issue, the court of claims, to compel the public body's disclosure of the public records within 180 days after a public body's final determination to deny a request.

(2) Within 10 business days after receiving a written appeal pursuant to subsection (1)(a), the head of a public body shall do 1 of the following:

(a) Reverse the disclosure denial.

(b) Issue a written notice to the requesting person upholding the disclosure denial.

(c) Reverse the disclosure denial in part and issue a written notice to the requesting person upholding the disclosure denial in part.

(d) Under unusual circumstances, issue a notice extending for not more than 10 business days the period during which the head of the public body shall respond to the written appeal. The head of a public body shall not issue more than 1 notice of extension for a particular written appeal.

(3) A board or commission that is the head of a public body is not considered to have received a written appeal under subsection (2) until the first regularly scheduled meeting of that board or commission following submission of the written appeal under subsection (1)(a). If the head of the public body fails to respond to a written appeal pursuant to subsection (2), or if the head of the public body upholds all or a portion of the disclosure denial that is the subject of the written appeal, the requesting person may seek judicial review of the nondisclosure by commencing a civil action under subsection (1)(b).

(4) In an action commenced under subsection (1)(b), a court that determines a public record is not exempt from disclosure shall order the public body to cease withholding or to produce all or a portion of a public record wrongfully withheld, regardless of the location of the public record. Venue for an action against a local public body is proper in the circuit court for the county in which the public record or an office of the public body is located has venue over the action. The court shall determine the matter de novo and the burden is on the public body to sustain its denial. The court, on its own motion, may view the public record in controversy in private before reaching a decision. Failure to comply with an order of the court may be punished as contempt of court.

(5) An action commenced under this section and an appeal from an action commenced under this section shall be assigned for hearing and trial or for argument at the earliest practicable date and expedited in every way.

(6) If a person asserting the right to inspect, copy, or receive a copy of all or a portion of a public record prevails in an action commenced under this section, the court shall award reasonable attorneys' fees, costs, and disbursements. If the person or public body prevails in part, the court may, in its discretion, award all or an appropriate portion of reasonable attorneys' fees, costs, and disbursements. The award shall be assessed against the public body liable for damages under subsection (7).

(7) If the court determines in an action commenced under this section that the public body has arbitrarily and capriciously violated this act by refusal or delay in disclosing or providing copies of a public record, the court shall order the public body to pay a civil fine of $1,000.00, which shall be deposited into the general fund of the state treasury. The court shall award, in addition to any actual or compensatory damages, punitive damages in the amount of $1,000.00 to the person seeking the right to inspect or receive a copy of a public record. The damages shall not be assessed against an individual, but shall be assessed against the next succeeding public body that is not an individual and that kept or maintained the public record as part of its public function.

*Note: Labor costs for search, location, examination and redaction (categories 1 and 2 on the itemization form) may not be charged unless the failure to charge a fee would result in unreasonably high costs to the public body because of the nature of the request in the particular instance, and the public body specifically identifies the nature of these unreasonably high costs.

The Court of Appeals has interpreted this provision to require that the determination be made relative to the usual or typical costs uncured by the public body in responding to FOIA requests. The key factor in determining whether the costs are “unreasonably high” is the extent to which the particular request differs from the usual request. *Bloch v Davison Cmty Schools*, (Mich.App. Apr. 26, 2011), 2011 WL 1564645.
